Acknowledgement of Risk and Assumption of Personal Responsibility

Texas Phoenix International School staff members make every effort to conduct safe programs, to orient and support children, and to inform families of inherent risks. Risk management is an essential element of all the activities offered. While we anticipate that these efforts will ensure the well-being of each child, we are also aware that it is neither possible to foresee every contingency nor to eliminate all risk. I understand that program activities may include, but are not limited to: playing active games, activities such as craft activities using common household material, which may include, but are not limited to: handling common household materials which if ingested or used improperly could be harmful, batteries, use of scissors, building materials which contain small pieces that are choking hazards for children under age 3. Other risks may be inherent in program activities. I acknowledge that such risks exist, and I hereby agree on behalf of my child to assume such risks. Further, on behalf of my child, I hereby release and forever discharge, and agree not to sue, and agree to indemnify and hold harmless; Texas Phoenix International School, officers, directors, employees, and volunteers and each of them, from and against any and all liabilities and obligations of every kind and description, which I shall or may have against them or any one or more of them arising out of, or in connection with, my child's participation in after-school program activities, including, but not limited to, for any personal injury that my child may suffer while participating in the after-school program and activities, except in the case of gross negligence. I understand and agree on behalf of my child that my child shares the responsibility for safety during programs and activities, and I personally assume on behalf of my child that responsibility. I understand and certify that my child's participation in the Texas Phoenix International School after-school program and its activities is completely voluntary, and that I have become familiar with the program activities in which my child may participate, as described in the after-school program description.
